Dear Belinda,

RE: Confirmation of the Standon Neighbourhood Area Designation

The request for formal designation of Standon Parish as a Neighbourhood Area designation was received on 16th February 2015.

Following a six week statutory consultation, East Herts Executive agreed to formally designate Standon Parish as a Neighbourhood Area on Monday 8th June 2015. The consultation lasted from 5th March – 16th April 2015, some comments were received and were considered as part of the decision as to whether the request should be designated.

Yours sincerely,

Isabelle
