STANDON PARISH NEIGHBOURHOOD DEVELOPMENT PLAN

A Standon Parish Steering Group has been established to produce a 'Neighbourhood Development Plan' for our entire parish area, which includes: Standon, Puckeridge, Bromley, Colliers End, Latchford, Barwick, Old Hall Green and Wellpond Green (as well as some outlying homes and hamlets).

Supported by Standon Parish Council (SPC), the Steering Group is made up of and led by local residents who want to help develop a shared vision for our parish and shape its development and growth.

- Do you **LIKE** where you live?
- Do you want to **SHAPE** the future of your village?
- Do you want to **CONTROL** how our villages are developed?
- Do you want to **PROTECT** your village?
