STEERING GROUP NEWSLETTER

25 March 2016 | Issue 5

Public Presentations

As we informed you in our previous newsletter we had two Public Presentations. We were delighted with the turnout considering the weather. We would like to thank everyone that attended. We received valuable feedback from the public that can be used to further the progress of the SPNDP.

You can view the video of the Presentation [HERE](#)

OUR PATH NOW

Prepare the Draft Plan

Also we formally ask whether a Sustainability Appraisal is necessary.

The Sustainability Appraisal covers Economic, Environmental and Social aspects

this could hold up the draft plan (hopefully should not)

We then have a Public Consultation

The draft plan can be accessed via our web page so please keep checkin to

see when it is available, **hopefully** around the end of May, beginning of June.

There will then be 30 days for the public to reply, with relevant topics and issues in relation to comments on the Draft Plan.

Hopefully the end date for consultation will be 30th June.

A detailed meeting now required with the EHDC Planning team

Around 2nd week in July (or sooner) to give time for replies to come back and be assessed.

POSSIBLE REDRAFT

Submit the (final) Draft Plan to EHDC.

EHDC formally place the Draft Plan on DEPOSIT (for 6 weeks)

The Draft Plan will now carry weight.

It will be made available to view by EHDC at their offices, libraries and the Mercury

EHDC can appoint an examiner within this period.

If the examiner finds this **plan to be sound** then it will be recommended for **referendum**.

REFERENDUM

If there is a simple majority of voting after the referendum the **Plan is then MADE**.

Remember that this is all dependent upon meetings with key stakeholders, the timeframes given may change.

MAY DAY

We will once again have our own stall at this years May Day festival in Standon. This gives us the opportunity to engage with the Public and share information about what the SPNDP is currently doing. Drop by to see us for a chat.

Remember, members of the Neighbourhood Plan are all volunteers, so if you wish to help on May Day please let us know, you will be sure of a warm welcome and possibly a yellow Tshirt!
