HAVE YOUR SAY on the DRAFT NEIGHBOURHOOD PLAN

The **first full draft** of your Neighbourhood Plan is now available to read and we need your feedback and comments before the plan goes to referendum.

The closing dates for comments is **Tuesday 13th December at 5pm.**

The plan is available now to download and read on the website at www.spndp.org.

Please share this information with your neighbours.

There will also be hard copies to read at the following locations: All Parish Pubs, Puckeridge Doctors Surgery, Something Lovely Tearooms, Parish

Hairdressers, Buntingford & Bishops Stortford Libraries, Hertford (Wallfields) & Bishop Stortford Council Offices, Standon Post Office and other local establishments. There has been a slight delay in getting these in position but it will be by Thursday hopefully.

WANT TO DISCUSS YOUR OPINIONS?

We will hold two informal surgeries to answer any questions and to receive your comments.

These will be held in the **Puckeridge Community Centre** in the **Fordham Hall** on Saturday 5th and Saturday 12th November between 2 & 4pm.

WHAT WOULD WE LIKE TO KNOW?

No comment is too small or irrelevant.

After almost two years of survey, research and public consultation the steering group believes that the Plan provides the best and most reasonable solution for the planning of the Parish for the next 15 years.

We have compiled our recommendations for housing, the local environment, employment, transport and parish amenities.

Please read the plan and let us know your thoughts.

All public comments will be taken on board and the Plan will be amended wherever possible. Before submission we will have detailed discussions with the policy team at EHDC.
